- 3rd semester: Orange (representing energy and enthusiasm)
- 4th semester: Blue (representing stability and focus)
- 5th semester: Purple (representing creativity and innovation)
- 6th semester: Red (representing passion and determination)
- 7th semester: Pink (representing understanding and compassion)
- 8th semester: Silver (representing achievement and success)

## Instructions:

- ☐ As you will click on the name of subjects you will be directed to that folder .
- ☐ Same applies for Documents.
- ☐ Don't be a FOOL, change the roll numbers on the practical list.
- ☐ Practicals as well as may not be the same as they were in our time so don't you dare report 'the brotherhood'.
- ☐ Enjoy the hard work of others.

*-The Brotherhood*

## Semester\_1:

### Folders

- BEEE
- ICT
- CCP

## Semester\_2:

Folders

- C++
- Engineering Physics
- EOE

## Semester\_3:

Folders

- DCN
- DE
- Discrete Mathematics
- Java

## Semester\_4:

Folders

- DBMS
- DSA
- MPCO
- Python

## Semester\_5:

Folders

- DAA
- MAD
- OS
- SE

## Semester\_6:

## Folders

- Artificial\_Intelligence
- Digital\_Image\_Processing
- Distrubuted\_System
- Informational\_Security
- Networking
- Theory\_of\_Computation

## Documents

- 6th sem-CE-2021-22.pdf
- readme.txt

## Semester\_7:

### Folders

- BDA
- CC
- DLP
- ML

## Semester\_8:

### Folders

-
